Allowable Subject Matter

Claims 1-20 are allowed.

The following is an examiner's statement of reasons for allowance:

Independent claims 1, 8, 15, and 18, more particularly define a method and apparatus for diagnosing crosstalk within an optical pick up unit by using firmware. The method and apparatus comprises calculating a tracking driving signal and a focusing driving signal according to tracking error signal and a focusing error signal respectively. Then adding a nose to the focusing driving signal to form a test focusing driving signal through executing firmware and then driving an optical pick up unit by tracking driving signal and the test focusing driving signal and diagnosing characteristics of the pick up unit through observing the tracking error signal. These particulars, combine with remaining claimed elements are not suggested in the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
